

ORGANISATIONAL GOVERNANCE  
STRENGTHENING EXCELLENCE

GUIDING EXCELLENCE IN

# CORPORATE GOVERNANCE

Unlock the path to excellence and sustainability in aged care leadership. Gain the tools to navigate complex decisions transparently, instill ethical practices for enduring success, and fortify your organisation against risks.

**Key learning outcomes include:**

1. Enhance accountability through transparent decision-making.
2. Foster ethical leadership for responsible and sustainable practices.
3. Strengthen risk management strategies for resilient community care operations.
4. Build stakeholder trust through effective communication and engagement.
5. Ensure regulatory compliance to uphold quality care and governance standards.
